

Hello, my name is Ms. Lavalley, I am a Student Teacher from VIU that will be working in Ms. Collins class. I will be in the class and working with the students until December 9th, 2016.

During my time in this class I'll have the opportunity to teach the students a science unit related to light and sound, a socials unit on community and a few gym lessons related to dance. Some things that I enjoy doing in my spare time are being in nature, reading and scrapbooking. I am looking forwards to working with Ms. Collins and all of the students within the class.
